1844.

## CHAPTER XL.

*A Law in relation to Blocks, Streets, Docks and Slips, which may be made into the water surrounding Jersey City.*

Whereas, the Common Council, by the supplement to the charter of Jersey City, passed March 8, 1839, are authorized to cause a map of the blocks, streets, docks and slips, which may from time to time be made into the waters surrounding said city, to be filed with the clerk, and a copy thereof to be recorded,

Now therefore,

The Mayor and Common Council of Jersey City do ordain as follows:

§ 1. That the Common Council shall order and direct a map to be made of the blocks, streets, docks and slips, which they from time to time shall reclaim, and which shall be made into the waters surrounding Jersey City, which said map shall be filed in the office of the clerk of said city, and a copy thereof duly recorded.

Map to be made.

§ 2. When the said map shall be made, filed and recorded as set forth in the preceding section, the said blocks, streets, docks and slips, described and laid down on said map, shall be under the direction and control of the Common Council, and they shall regulate, protect and improve the same.

Blocks, streets, &c., under control of the Common Council.

## CHAPTER XLI.

*A Law in relation to Manufactories dangerous in causing and promoting fires, and the keeping of Gunpowder.*

Whereas, several manufactories for the making of gas, varnish and turpentine, have been erected within the limits of this city, and whereas they are peculiarly dangerous in causing and promoting fires, are noxious and offensive, and will prove a nuisance to the neighborhood in which the same are carried on,

Now therefore,

## TITLE I.

*Of Manufactories dangerous in causing fires.*

The Mayor and Common Council of Jersey City do ordain as follows :

§ 1. That it shall not be lawful for any person or persons, from and after the first day of May next, to carry on any manufactory or mannfactories, or any establishment for the purpose of making, producing, distilling, or in any manner generating spirits of turpentine, gas, varnish, or any other article dangerous in causing or promoting fires within the limits of this city, without the consent of the Common Council first had and obtained, under a penalty of fifty dollars for each and every day that the same shall be carried on.

Factory not to be erected without consent of Common Council.

§ 2. It shall not be lawful for any person or persons, from and after the first day of May next, to carry on any manufactory or establishment for the making and production of fireworks within the limits of this city, without the consent of the Common Council first had and obtained, under the penalty of fifty dollars for each and every day the same shall be carried on.

Nor, factory for production of fireworks.

## TITLE II.

*Gunpowder, how to be kept.*

§ 1. It shall not be lawful for any person to have or keep any quantity of gunpowder exceeding twenty-eight pounds in weight, in any house, store, building or other place within the limits of this city.

Gunpowder, in what quantity and where kept.

§ 2. All gunpowder which shall be kept in this city, shall be kept in stone jugs or tin cannisters, which shall not contain more than seven pounds each.

In what to be kept.
