| Div. 3. | Cities and Villages: Enumeration of Powers.                                                                                                                                                                                                                                                                                                                                                            | Ch. 3.                 |
|---------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
|         | mals, or fast driving or propelling of vehicles, through the public highways.                                                                                                                                                                                                                                                                                                                          |                        |
|         | 14. To regulate the transportation and keeping of gunpowder, and other explosive and dangerous combustibles, and to provide or license magazines for the same.                                                                                                                                                                                                                                         | Explosives.            |
|         | 15. To regulate the transportation of articles through the streets, and prevent injuries to the streets from overloaded vehicles.                                                                                                                                                                                                                                                                      | Transportation.        |
|         | 16. To regulate the weighing and measuring of hay, wood, coal, and other articles exposed for sale.                                                                                                                                                                                                                                                                                                    | Weighing.              |
|         | 17. To guard against injuries by fire.                                                                                                                                                                                                                                                                                                                                                                 | Fire.                  |
|         | 18. To lay off, establish, open, widen, narrow, straighten, extend, improve, keep in order and repair, and to light, streets, alleys, public grounds and buildings, wharves, landing places, bridges, and market spaces within the corporation, including any portion of any turnpike or plank road therein, surrendered to or condemned by the corporation; and to provide for laying down gas-pipes. | Streets.               |
|         | 19. To construct, open, enlarge, excavate, improve, deepen, straighten, or extend any canal, ship canal, or water course, located in whole or in part within the corporation.                                                                                                                                                                                                                          | Gas-pipes.<br>Canals.  |
|         | 20. To regulate the cleaning and sprinkling of streets, alleys, and public grounds.                                                                                                                                                                                                                                                                                                                    | Street cleaning.       |
|         | 21. To open, construct, and keep in repair, sewers, drains, and ditches.                                                                                                                                                                                                                                                                                                                               | Sewers.                |
|         | 22. To establish, repair, and regulate water-closets and privies.                                                                                                                                                                                                                                                                                                                                      | Privies.               |
|         | 23. To erect, establish, regulate, and repair pest-houses, hospitals, and infirmaries.                                                                                                                                                                                                                                                                                                                 | Hospitals.             |
|         | 24. To establish a board of health, and invest it with such powers, and impose upon it such duties as may be necessary to secure the inhabitants from the evils of contagious, malignant and infectious diseases.                                                                                                                                                                                      | Board of health.       |
|         | 25. To build jails, or other places of confinement, and to regulate the same.                                                                                                                                                                                                                                                                                                                          | Jails.                 |
|         | 26. To erect market-houses, and to establish and regulate markets.                                                                                                                                                                                                                                                                                                                                     | Markets.               |
|         | 27. To regulate the erection of buildings, fences, and other structures within the corporate limits.                                                                                                                                                                                                                                                                                                   | Erection of buildings. |
|         | 28. To provide public cemeteries, and for the improvement and protection thereof, and to regulate the burial of the dead.                                                                                                                                                                                                                                                                              | Cemeteries.            |
|         | 29. To organize and maintain a police department.                                                                                                                                                                                                                                                                                                                                                      | Police.                |
|         | 30. To organize and maintain a fire department, erect necessary buildings therefor, and to purchase and hold all necessary hose, engines, carts, ladders, carriages, tools, and implements therefor.                                                                                                                                                                                                   | Fire department.       |
|         | 31. To provide for a supply of water, by the construction of wells, pumps, cisterns, aqueducts, water-pipes, réservoirs, and water works, and for the protection thereof; and to prevent unnecessary waste of water, and the pollution thereof.                                                                                                                                                        | Water.                 |
