2. Copy of section 1 to be inserted in certain licenses.
3. Proceedings on application for license to manufacture explosive compounds.
4. Same subject.
5. Manufactory of explosive compounds not to be allowed in certain localities.
6. Granting of licenses for sale of explosive compounds.
7. Amount of explosive compounds that may be kept for sale within twenty feet of an occupied building.

Section.

8. Persons licensed to keep explosive compounds for sale, to provide suitable receptacles therefor.
9. Licenses for storage of explosive compounds in large quantities.
10. Storage of explosive compounds in certain localities forbidden.
11. Transportation of explosive compounds.
12. Premises, where explosive compounds are licensed to be sold, may be examined, etc.
13. Licenses may be revoked, etc.
14. Penalty for breaches of this chapter.
15. "Explosive compounds" defined.

SECTION 1. Whoever sells to a child under the age of sixteen years, without the written consent of its parent or guardian, any cartridge or fixed ammunition of which any fulminate is a component part, or a gun, pistol, or other mechanical contrivance arranged for the explosion of such cartridge or of any fulminate, shall be liable to a penalty of not less than five nor more than fifty dollars.

Penalty for selling guns, pistols, cartridges, etc., to children.
Supplt. pp. 95, 203.

SECT. 2. A copy of the preceding section shall be inserted in all licenses granted for the sale of gunpowder.

Copy of sect. 1 to be inserted in certain licenses.
Supplt. p. 95.

SECT. 3. Whoever desires to manufacture an explosive compound within the limits of the city shall make application in writing to the board of aldermen for a license therefor, setting forth in such application the exact location of the land and the construction of the buildings where such manufacture is to be conducted, and a general description of the articles intended to be manufactured, the method of manufacturing them, and the amount proposed to be manufactured. Such application shall be referred to the boards of fire and police commissioners, who shall cause examinations of the place or building described in such application to be made by suitable persons appointed for that purpose by said boards respectively.

Proceedings on application for license to manufacture explosive compounds.
Supplt. p. 10.

SECT. 4. If the report of such examiners is in favor of granting the license, the board of aldermen shall give a public hearing to all remonstrants, after public notice of said hearing has been given for two consecutive weeks in at least three daily newspapers published in the city, and the said board, after such notice and hearing, may, by a two-thirds vote and with the approval of the mayor, grant a license to

Same subject.
Supplt. p. 10.
